(Billy Sherrill - Curly Putman)

You followed me to Texas you followed me to Utah
We didn't find it there so we moved on
Then you went with me to Alabam things looked good
in Birmingham
We didn't find it there so we moved on.

I know you're tired of following my elusive dreams and
schemes
For they're only fleeting things my elusive dreams.

You had my child in Memphis and I heard of work in
Nashville
But we didn't find it there so we moved on
To a small farm in Nebraska to a gold mine in Alaska
We didn't find it there so we moved on.

And now we've left Alaska because there was no gold
mine
But this time only two of us moved on
Now all we have is each other and a little mem'ry to
cling to
And still you won't let me go on all alone.

I know you're tired of following my elusive dreams and
schemes
For they're only fleeting things my elusive dreams.

For they're only fleeting things my elusive dreams...
