I could search from now to the end of time  
And never find another you  
I'm so glad because I know you're mine  
Someone to give my love to

I believe my love that you're one of the kind  
For there's no one else like you  
You're the light of my life so let it shine  
Someone to give my love to

I find happiness is lovin' you  
I'll do my best to make your  
Dreams come true

I will follow you to the end of the earth  
For my place will be with you  
I have taken you for better or worse  
Someone to give my love to

I find happiness is lovin' you  
I'll do my best to make your  
Dreams come true

Days of man-and-wife-time are precious few  
I will spend them all with you  
Then beyond forever I'll wait for you  
Someone to give my love to
