The Harbinger  
Take a look  
Look ahead  
I've seen the crystal  
Turn to lead

You've got the fission  
And the fuse  
Just push the button  
And you Lose

Chorus:  
Don't get excited  
It ain't real  
Your not in trouble  
That's just the way it feels  
But don't you realize  
It's just insane  
It's the same old story  
But the names have changed  
The Harbinger  
The Harbinger  
The Harbinger

Look what we got  
A new age  
What has it brought  
But rampage  
To see ahead  
Look behind  
It's been the history  
Of mankind

Chorus:  
Don't get excited  
It ain't real  
Your not in trouble  
That's just the way it feels  
But don't you realize

It's just insane  
It's the same old story  
But the names have changed  
The Harbinger  
The Harbinger
