What About Me? Mr. President  
All of my money  
I done spent  
I prayed to the Lord  
But nothin's been sent

Can't you see  
I'm down at your feet  
About like a dog  
Beggin' for a scrap of meat

I'm counting on you  
To carry me through

-----Lead-----

What about them Lord  
They can't pay their rent  
Maybe they should all go out  
And live in a tent

The answer's unkind  
It could blow your mind  
What About Me? Mr. President
