In spite of you  
I won't Believe  
What you tell me on TV

You spew your lies  
Endlessly  
And no one questions your integrity

Chorus X2  
In spite of you  
In spite of me  
In spite of them  
We will break free

In spite of you  
I'll live my life  
I'll question each and every lie

I'll teach my children  
To be free  
From your insanity

Chorus x2  
In Spite of you  
In spite of me  
In spite of them  
We will break free

In spite of you  
In spite of me  
In spite of you  
In spite of me
