When the wind blows the cradle will rock  
So rock-a-bye baby, in the treetop  
When the wind blows, mmm

Well, Jack be nimble, Jack be quick  
Jack jumped over the candlestick  
He jumped so high up above  
He landed in the cradle of love

CHORUS

Hi diddle diddle, the cat and the fiddle

The cow jumped over the moon  
And on the way down she met a turtle dove  
Said "Let's go rockin' in the cradle of love"

CHORUS

Jack and Jill went up the hill  
To get a pail of water  
Jack fell for Jill, gave her a shove  
They fell into the cradle of love

CHORUS
