(d. fritz, o. thornton)
I'm staring through glass
Stained by insecurities and hurt
I'm wondering, and I've got lots of questions
But no answers why
Daddy is the pastor of this church
Seems to be his only out
Besides basketball on the TV
Basketball on the TV
-CHORUS-
My name is Aaron, does anybody care?
I want to fly to the moon and drive a race car
Would like to be a star
My name is Aaron, please tell me if I'm wrong
Please tell me if I'm wrong
I want to dream
I want to dream
I want to dream
'Cause dreams are real to me
As nothing is reality
It's like the pictures that I draw
Pictures that I draw of dinosaurs
They remind me of the man
Who prays for the needy in our church
In other words
I'm not a good artist
(repeat C
HORUS)
Does Jesus love me, Mommy
Does Jesus love me, Daddy
Does Jesus love me, anybody
Does Jesus love -- does anyone love me?
(repeat CHORUS)
