Painted expressions filling the stands  
Are the best at twisting animal balloons  
And it's so funny watching the magician  
Pulling big green rabbits out of little leather pouches  
Under the Big Top there's a tickle in my ear  
It's creepy, crawly, scary  
I don't feel fear  
-CHORUS-  
Under the Big Top  
You've got a home  
If they can fill the seats  
And pay the loan  
There went a donkey and an elephant  
Telling everyone about what is to come  
And when the birdies sing, I am reminded  
Not everyone who cries "Lord, Lord" will enter the  
Kingdom  
Under the Big Top there's a tickle in my ear  
It's creepy, crawly, scary  
I don't feel fear  
(repeat CHORUS)  
Under the Big Top there's a tickle in my ear  
It's creepy, crawly, scary  
I don't feel fear  
Blank expressions filling the pews  
Are the best at twisted animal views  
And it's so funny to watch the minister  
Pulling big green rabbits out of little leather purses
