(m. fritz, d. fritz)
It's right out there
Shining in the air
It's almost beyond our grasp
I'm afraid if we wait
We won't be able to get it back
'Cause where there's life, there's hope
Where there's hope, there's got to be some innocence
Some innocence, some innocence
-CHORUS-
You see the truth
It's there, but do we really want it anymore
There's no black

There's no white
There's no pro
There's no choice
The truth is truth
The truth is truth
If you looked inside
Do you think you'd find any love
Or is it too late
To dream about peace, to dream about purpose
'Cause where there's life, there's hope
Where there's hope, there's got to be some innocence
Some innocence, some innocence
(repeat CHORUS)
