(d. fritz, o. thornton)

-CHORUS-

You can't see

Specks beyond the trees

But I'll forgive

If you forget

Throw your first stone

You're a big man, make your stand

You've done nothing wrong

Are you sure, think again

'Cause I know a secret

I know a secret

I know a secret that you think that I don't know

(repeat CHORUS)

I'm writing in sand

Hoping it will remind you

All have sinned

Let the water wash you clean

'Cause I know a secret

I know a secret

I know a secret that you think that I don't know
