I don't like you me
Why what did I do to you or should I say me
You don't do what I want to do
Like you're supposed to all I want is to own you

I can't make you stay
And I thought I heard you say

Today's a sorry day
There's nothing you could say cause
I can't wish away
Today today today
Today today today

There I go again
Making assumptions on you or should I say me
Sorry days can't go away
They're necessary for all our quite contrary

All I can do is pray
I thought I heard you say

Today's a sorry day
There's nothing you could say cause
I can't wish away
Today today today
Today today today

I can't wish away
Can't make you stay
I can't wish away
