I'll never fall in love again
It's all over now it takes a heart to know the end
I'll try to take the chance to feel the thrill of romance
and love
And I let foolish heart become enchanted by starlight
above

i pretend i never heard a tender loving word from you
you found an other love and forgotten every joy we
knew
please help me understand the way the angel plan our
love affair should end
I'll never ever fall I'll never fall in love again SAC C
