I like sugar and I like tea,
But I don't like Niggers;
No siree.
There are two lone things thatll make me puke,
That's a hog eating slop and a big black spook.

And you know it, cause I show it.
Like a barn yard rooster I crow it!

And the NAACP
Would sure like to get a hold of nigger haten me.

Roses are red and violets are blue,
And niggers are black.
You know that's true.
But they don't mind, cause What the heck?!
You gotta be black to get a welfare check!

And Im broke.
No joke.
I don't gotta nickel for a coke.
And I aint black you see,
So Uncle Sam wont help
Poor Nigger haten me.

Jigga boo, jigga boo, where are you?
I was here in a wood pile watching you!
Jigga boo, jigga boo come out
I scared of the white man way down south!

You know it

Cause I show it
Stick you black head out and I'll blow it!

And the NAACP
Cant keep you away from little ol nigger haten me!

Mirror, mirror on the wall
Who is the blackest of them all?

A man named King

And there aint no doubt
That he's causing lotsa trouble with his baboon mouth!

Roo it, he's a do it
Hes caused by the trouble he's brewing
And the NAACP
Cant win if the white man stick
With nigger haten me!

Hey, Mr. President, what do you say?
When are we whites gonna have our day?
The niggers had theirs such a long, long time.
And it's the white mans time that I had mine!

You know it,
Cause I show it!
Stick you black head out and I'll blow it!

And the NAACP
Cant win if the white man stick with
Nigger haten me(x5)!
