"Segregation Wagon"

Come all you sons of freedom, and join our Southern band.

We'll find those carpetbaggers, and drive them from our land!

"Our Justice" is our motto! And providence our guide!
So jump into the wagon and we'll all take a ride!

So wait for the wagon, the Segregation Wagon!
State's rights is the wagon so let's all take a ride.

Segregation is our watchword, State's rights we demand!
We defend our Southern way of life, we pledge our hearts and hands!
Step forward and be counted! Then fall in side by side.
Conservatives throughout the land will join us on the ride!

So wait for the wagon, the Segregation Wagon!
State's rights is the wagon so let's all take a ride.

A sorry looking bunch of trash came marching through the South
The only thing they'll understand is when we drive 'em out!
Our way of life we must protect, it's up to me and you.
So rally 'round the stars and bars, we'll see this battle through.

So wait for the wagon, the Segregation Wagon!
State's rights is the wagon, so let's all take a ride.

We've always lived the quiet life, and mind our business too.
We'll permit no agitators to tell us what to do.
Let's serve them notice here and now, we must be left alone!
Let's pledge our lives and fortunes in protection of our homes!

So wait for the wagon, the Segregation Wagon!
State's rights is the wagon, so let's all take a ride.

Get aboard and ride this wagon! That Segregation
wagon!
We're proud of what we believe in! Oh, let's take that
ride!
Everybody get on this wagon! And ride this frantic
wagon! The Segregation Wagon!
