I have seen the view from a mountain top -and let me
tell you - I don't want to come back down
Cause everytime I look into you eyes when we're
together -Oh I see forever - it's all I see Ya Ya Ya

I'm in love with you woman, I'm in love with you woman,
I'm in love as a man can be
No matter where I go and what I do, it doesn't get
better than you.

When its turn to all those days and night that I was
searching, I was out there searching, for someone to
hold
Every time I keep you in my arms when we're together,
Oh no, I never, want to let you go Oh Oh no no no

Cause I'm in love with you woman, In love with you
woman, I'm in love as a man can be

No matter where I go and what I do, it doesn't get
better than you.
No it doesn't get better than you,
No it doesn't get better than you,
No i doesn't get better than you,
