sometimes, the best things in life are found beneath
the shade of a big palm tree.
sometimes, we gatta just unwind and listen to the
sounds of an ultra breeze.
throw away the laptop,
go get yourself some flip flops,
hang up the sign on the door that says "gone to the
beach".
it's alright, it's alright
it's alright, it's alright
to feel the warmth of sunshine on your skin
it's alright, it's alright
it's alright, it's alright
to just soak up the sun and watch them waves go in
sometimes, you gatta free your mind to where the smell
of the sweat salt water fills the air ya.
sometimes, oh you gatta squeeze a little and let a little
margarita take you there.
Throw away the briefcase, go get yourself some new
sage.
so sipping on an ice cold drink, watching the world go
by.
it's alright, it's alright
it's alright, it's alright
to feel the warmth of sunshine on your skin
it's alright, it's alright
it's alright, it's alright
to just soak up the sun and watch them waves go in
ohhh yeaaa
it's alright, it's alright
it's alright, it's alright
to feel the warmth of sunshine on your skin
it's alright, it's alright
it's alright, it's alright
to watch the sun go down
wake up tomorrow and do it all over again
ya it's alright, it's alright.
