"Look To Your Soul"

I nearly lost myself
Tryin' to be someone else
All of my life I've been playin' the game
Gotta get out of myself, it seems
Life's not real when you're in a dream
Hang onto your head and give it a try

To live you must nearly die
Giving up the need to say 'I'
Look to your soul for the answer
Look to your soul

So many people passing by
Have a need to identify
All of us want to be satisfied
Few people seem to care
Livin' a life that leads nowhere
Nobody takes the time to try

To live you must nearly die
Giving up the need to say 'I'
Just Look to your soul for the answer
Look to your soul
Look to your soul
