Getting through the house of lows  
And learning how to just let go  
Sometimes that pot of gold comes  
Right out of the blue

If a bucket of love is what you find  
It's up to you to pass it down  
What goes around always comes around  
Right out of the blue

Na na na na na na na  
Na na na na na na na  
Na na na na na na na  
Right  
Out of the blue

Sometimes it's hard to see  
The forest for the trees  
We're given all we need  
Right out of the blue

If you feel love has passed you by  
Don't give up now don't you cry  
Life can turn on a dime  
Right out of the blue

Na na na na na na na  
Na na na na na na na  
Na na na na na na na  
Right  
Out of the blue

Getting through the house of lows  
And learning how to just let go  
Sometimes that pot of gold comes  
Right out of the blue

Everybody sing  
Na na na na na na na  
Na na na na na na na  
Na na na na na na na  
Right

Out of the blue

Everybody sing

Na na na na na na na

Na na na na na na na

Na na na na na na na

Right

Out of the blue
