Here I am
All alone
Staring down,down, down at the telephone

I know you hear me
I feel you near me
I need you help me
Please please tell me

Who I'm gonna call on Sunday
Who I'm gonna pour my heart out too
Who I'm gonna call on Sunday
Now that heaven has called on you

I know, you found God's grace
In a far, far , far, better place

I know your watching
My tear drops falling
It's not you going
It's me not knowing

Who I'm gonna call on Sunday
Who I'm gonna pour my heart out too
Who I'm gonna call on Sunday
Now that heaven has called on you

Tell me Margaret who
Whom I gonna call on Sunday
Now that heaven's called on you
