If I only had two words left to say to you.
With my last breath I'd confess the truth to you.
You've never left my side.
Even when I fell behind.
Thank you.
Thank you
For sharing all your love and all your dreams.
Thank you for every tear of happiness I've cried.
Thank you.
For laying down beside me here tonight.

When I close my eyes I say a prayer for one more day
with you.
And when I wake, I embrace, the one who pulls me
through; who pulls me through the storm when I can't
go on.

Thank you. Thank you for the life you've given me.
Thank you for sharing all your love and all your
dreams.
Thank you for every tear of happiness I've cried.
Thank you for laying down beside me here tonight.

You've never let me down.
It's like you don't know how.
Thank you. Thank you for the life you've given me.
Thank you For sharing all the love and all your dreams.
Thank you.
Thank you.
