It's late at night and we're all alone, with just the
music of the radio
No one's coming, no one's gonna telephone
Just me and you and the lights down low - and we're

Chorus:

Slow dancing, swaying to the music, slow dancing, just
me and my girl
Slow dancing, swaying to the music, no one else in the
whole wide world
Just you, girl

And we just flow together when the lights are low
And shadows dancing across the wall
The music's playing so soft and low
And the rest of the world so far away and small

(chorus)

Hold me, please hold me, don't ever let me go

And as we dance together in the dark
There's so much love in this heart of mine
She whispers to me and I hold her tight
You're the one I thought I'd never find

(chorus)
