Never felt so complete
I never known a love so sweet
til You
gave my heart a home

I never felt the way I feel
never had a dream this real
til You
gave my heart a home

Yeah I was out there searchin
trying to find a key
lost with no direction
down on my knees
when You wrapped Your arms around me
I knew I'd never be alone
yeah You
You gave my heart a home

I never had someone to miss
now I know where heaven is
cuz You gave my heart a home

All I want all I'll ever need
is standing right in front of me

yeah You
You gave my heart a home

Yeah I was out there searching
tryin to find a key
lost with no direction
down on my knees
when You wrapped your arms around me
I knew I'd never be alone
yeah You
You gave my heart a home

Yeah when You wrappped Your arms around me
I knew I'd never be alo-o-oneeeee
Yeah You You gave my heart a ho-o-omeeeee
You gave my heart a home

yeah my heart a home

I never felt so complete
I never known love so sweet
til You
You gave my heart a home
