It's been a hard day's night, and I've been working
Like a dog
It's been a hard day's night, I should be sleeping like
A log
But when I get home to you I find the things that you
Do
Will make me feel alright

You know I work all day to get you money to buy you
Things
And it's worth it just to hear you say you're gonna
Give me everything
So why I love to come home, 'cause when I get you
alone
You know I feel okay
When I'm home everything seems to be right
When I'm home feeling you holding me tight, It's been
a
Hard day's night, and I've been working like a dog
It's been a hard day's night, I should be sleeping like

A log
But when I get home to you I find the things that you
Do
Will make me feel alright

Owww

So why I love to come home, 'cause when I get you
alone
You know I feel okay
When I'm home everything seems to be right
When I'm home feeling you holding me tight, oh
through
The night, yeah

It's been a hard day's night, and I've been working
Like a dog
It's been a hard day's night, I should be sleeping like
A log
But when I get home to you I find the things that you

Do
Will make me feel alright
You know I feel alright
You know I feel alright...
