Yes your love put a song, put a song, put a song, in my
heart
Never have I had this beautiful feeling before
Yes your love put a song, put a song, put a song, in my
heart
A beautiful song of two people in love evermore

It wasn't too long ago
I thought I would never know
What reason has anyone

To sing a happy song

I knew only loneliness
But then I found happiness
And now I just want to hold
This time and sing along

'Cause your love put a song, put a song, put a song, in
my heart
Never have I heard this beautiful music before
Yes your love put a song, put a song, put a song, in my
heart
A beautiful song of two people in love evermore

(Spanish)
Never have I heard this beautiful music before
(Spanish)
A beautiful song of two people in love evermore

Yes your love put a song, put a song, put a song, in my
heart
Never have I heard this beautiful music
before.....fades
Yes your love put a song, put a song, put a song, in my
heart
