SECRET AGENT MAN

Johnny Rivers  
(P.F. Sloan S. Barri)

There's a man who leads a life of danger  
To everyone he meets he stays a stranger  
With every move he makes another chance he takes  
Odds are he won't live to see tomorrow

Secret agent man, secret agent man  
They've given you a number and taken away your  
name

Beware of pretty faces that you find  
A pretty face can hide an evil mind  
Ah, be careful what you say  
Or you'll give yourself away  
Odds are you won't live to see tomorrow

Secret agent man, secret agent man  
They've given you a number and taken away your  
name

----- lead guitar -----

Secret agent man, secret agent man  
They've given you a number and taken away your  
name

Swingin' on the Riviera one day  
And then layin' in the Bombay alley next day  
Oh no, you let the wrong word slip  
While kissing persuasive lips  
The odds are you won't live to see tomorrow

Secret agent man, secret agent man  
They've given you a number and taken away your  
name

Secret agent man
