It's late at night and we're all alone
With just the music on the radio
No one's coming, no one's gonna telephone
Just me and you and the lights down low
And we're

Slow dancing, swaying to the music
Slow dancing, just me and my girl
Slow dancing, swaying to the music
No one else in the whole wide world
Just you, girl

And we just flow together when the lights are low
Shadows dancing all across the wall
The music's playing so soft and slow
The rest of the world so far away and small
When we're

Slow dancing, swaying to the music
Slow dancing, just me and my girl
Slow dancing, swaying to the music
No one else in the whole wide world

Hold me, oh, hold me
Don't ever let me go

As we dance together in the dark
There's so much love in this heart of mine
You whisper to me "hold me tight"
You're the one I thought I'd never find and now were..

Slow dancing, swaying to the music
Slow dancing, just me and my girl
Slow dancing, swaying to the music
No one else in the whole wide world

Slow dancing, swaying to the music
Slow dancing, just me and my my my my girl
Slow dancing, swaying to the music
No one else in the whole wide world
Whole wide world
