Something in the way she moves  
Attracts me like no other lover  
Something in the way she woo's me  
I don't want to leave her now

Lord, you know I believe in how

Somewhere in her smile, she knows  
That I don't need no other lover  
Something in her style that shows me  
I don't want to leave her now  
You know I believe in how

You're asking me will my love grow  
I don't know, I don't know  
You stick around now it may show  
I don't know, I don't know

(Instrumental)  
I don't want to leave her now  
You know I believe in how

You're asking me will my love grow  
I don't know, I don't know  
Stick around now it may show  
I don't know, I don't know

Something in the way she knows  
And all I have to do is think of her  
Something in the things she shows me.....fades  
I don't want to leave her now  
Lord, you know I believe in how
