Summer rain taps at my window

West wind soft as a sweet dream

My love warm as the sunshine

Sittin' here by me, she's here by me-ee-ee

She stepped out of the rainbow

Golden hair shinin' like moon glow

Warm lips soft as a soul

Sittin' here by me, she's here by me-ee-ee

All summer long we spent dancin' in the sand

And the jukebox kept on playin'

Sergeant Pepper's Lonely Hearts Club Band

We sailed into the sunset

Drifted home caught by a gulf stream

Never gave a thought for tomorrow

Just let tomorrow be, now, let tomorrow be-ee-ee

instrumental interlude

She wants to live in the Rockies

She says that's where we'll find peace

Settle down, raise up a fam'ly

To call our own, yeah, well have a home

All summer long we spent groovin' in the sand

Everybody kept on playin'

Sergeant Pepper's Lonely Hearts Club Band

The snow drifts by my window

North wind blowin' like thunder

Our love's burnin' like fire

And she's here by me, yeah, she's here with me-ee-ee

Let tomorrow be-ee-ee-ee

instrumental to end
