People say im the life of the party
Cause i tell a joke or two.
Although i might be laughing,
Deep inside, im blue...

So take a good look at my face,
Youll see my smile looks out of place.
Just look closer, its easy to trace
The tracks of my tears...

I need you, need you...

Since you left me,
If you see me with another girl,
Seeming like im having fun,
Although she may be cute,
Shes just a substitute.
Cause youre the permanent one...

So take a good look at my face,
Youll see my smile looks out of place.
Just look closer, its easy to trace
The tracks of my tears...

Im masquerading...
My hope is fading...
Oh yeah, since you put me down,
My smile is my make-up i wear
Since my break-up with you...

So take a good look at my face,
Youll see my smile looks out of place.
Just look closer, its easy to trace
The tracks of my tears...
