Under Your Spell Again  
Johnny Rivers

CHORUS:

You got me (C)under, your spell again  
(F)Saying those things again  
(C)Making me believe that your just (G7)mine  
You got me (C)dreaming those dreams again  
(F)Thinking those things again  
I (C)gotta take you (G7)back just one more (C)time

VERSE 1:

I (C)swore the last time that you (G7)let me down  
That I wouldn't see you if you came (C)around  
But I can't tell my heart whats (F)right or wrong  
And (G7)I've been so lonely since you've been (C)gone

REPEAT CHORUS:

VERSE 2:

Well (C)every body tells me that (G7)I'm a fool  
That I never should have put my (C)faith in you  
And way down deep inside I guess I (F)know It's true  
But (G7)no one else can make me feel the way you  
(C)do

REPEAT CHORUS:
