You've got me under your spell, again,
Saying those things, again
Making me believe that you're just mine.
You've got me scheming those schemes, again
Dreaming those dreams, again
I've gotta take you back just one more time.

I swore the last time that you let me down
That I wouldn't see you if you came around,
But I can't tell my heart what's right or wrong
And girl I've been so lonely since you've been gone.

You've got me under your spell, again,
Saying those things, again
Making me believe that you're just mine.
You've got me scheming those schemes, again
Dreaming those dreams, again
I've gotta take you back just one more time.

Everybody tells me that I'm just a fool
And that, I never should have put my faith in you
And way down deep inside, girl, I know it's true
But no one else can make me feel the way you do.

X2
You've got me under your spell, again,
Saying those things, again
Making me believe that you're just mine.
You've got me scheming those schemes, again
Dreaming those dreams, again
I've gotta take you back just one more time.
