I've been waiting in here all night for you to meet me
I've been waiting in here all night all alone
But it looks like by now you ain't never gonna show
So I guess that I'll just walk myself on home

Oh I spend all my time just waiting on you
I'll never know why you treat me the way you do
I should know by now that you're just leading me on
So I guess that I'll just walk myself on home

I'm walkin' home, I'm all alone
You know I'm walkin home, I ain't got nobody of my own

I've been waiting here since 8, and now it's 10
I've been playing your little game since I don't know
when
I'm gonna find me a little girl who won't make me wait
so long
So I guess that I'll just walk myself on home

I'm walkin' home, you know I'm all alone
But I'm walkin home, I ain't got nobody of my own

I've been waiting here since 8, and now it's 10
I've been playing your little game since I don't know
when
I'm gonna find me a brand new girl who won't make me
wait so long
So I guess that I'll just walk myself on home
You know I guess that I'll just walk myself on home
I guess that I'll just walk myself on home
