Cooke

Well, you can have her, I don't want her
She didn't love me anyway
She only wanted someone to play with
But all I wanted was love to stay.

Well, you get stuck with the wrong woman
There's only one thing that you can do
Just dig a hole and jump right in it
And pull the ground right over you.

Well, you can have her, I don't want her
She didn't love me anyway
She only wanted, someone to play with
But all I wanted was love to stay.

The girl I love, she, up and left me
She ran away with my best friend
Comes home at night just for an hour
When day light comes she's gone again.

Well, you can have her, I don't want her
She didn't love me anyway
She only wanted, someone to play with
But all I wanted was love to stay.

Life without love is mighty empty
But confession's good for the soul
I'd rather have love that I can cling to
Than have the world and all of it's gold.

Well, you can have her, I don't want her
She didn't love me anyway
She only wanted, someone to play with
But all I wanted was love to stay.

Well, you can have her, I don't want her
She didn't love me anyway
She only wanted, someone to play with
But all I wanted was love to stay.
