I'm tired
Of hoping and waiting and anticipating to see her there
I work out, the cure is to ask her if she'll clear up
disaster
Sit and stare

Whats the worst that you could do or say?
Another chance is gone, of mine away

I wonder
Will I always be that taken?
I never
Ask anything from anyone
Just another lonely kid,
Nothing to hold onto
Nothing to hold onto

You've waited, its wasted, its hopeless, its too late, you
fucked up, your chance is gone
You've waited, to take it, the risks were to high to
explain, your chance is gone, gone, gone

whats the point when your future moves so fast?
now you'll regret this opportunity you could've have

I wonder
Will I always be that taken?
I never
Ask anything from anyone
Just another nameless band
With no hope to hold onto
Hold onto

Let's Go

I wonder
Will I always be that taken?
I never
Ask anything from anyone
Just another lonely kid
With nothing to hold onto

Hold onto [x2]
