I've tasted the good and the bad
And too much of what I ain't had
I been up and down
And all around this old town
But nothing's felt better than my feet on the ground
On the road that leads out of town

So goodnight Dallas
Gonna shoot out the lights in that ole silver palace
I'll drink your wine
One last time
Come morning I'll be gone
Goodnight Dallas
Ah lee o lay e a lee a o

I've lived my life at it's best
And too much of all of the rest
I could love you and leave you
But never no never deceive you
So maybe it's better when I leave
I leave with no lies
Than leave with no truth

So goodnight Dallas
Gonna shoot out the lights in that ole silver palace
I'll drink your wine
One last time
Come morning I'll be gone
Goodnight Dallas
Ah lee o lay e a lee a o

So goodnight Dallas
Gonna shoot out the lights in that ole silver palace
I'll drink your wine
One last time
Come morning I'll be gone
Goodnight Dallas
Ah lee o lay e a lee a o

Goodnight Dallas
Ah lee o lay e a lee a o
Goodnight Dallas

Ah lee o lay e a lee a o
Goodnight Dallas
Ah lee o lay e a lee a o
