Oh love
Oh love

A king would trade his finest crown
For love, love like this
And warriors have laid weapons down
For love, love like this

Hearts will break a thousand times
For love, love like this
And arms will wait a thousand nights
For love, love like this

Love may come and love may go
But here inside your arms I know
That only you will ever show me
Love like this

Oh you and I have finally found
A love, love like this
A place to lay our burdens down
In love, love like this

And hearts can speak without a sound
In love, love like this
What makes the world keep turning 'round
Is love, love like this

Love may come and love may go
But here inside your arms I know
That only you will ever show me
Love like this, yeah

Whoa, whoa love
Love like this

The moon has never shown before
On love, love like this
And I have never wanted more
Than love, love like this

Whoa a love, love like this

Whoa a love, love like this

Whoa, whoa love

Whoa love, yeah
