(C. Carter - K. Brooks)

He's not lookin' for your kind of love  
I got a hand in his heart like a fist in a glove  
You say you're strong  
Well, tough you better be  
When he's lookin' for a fight he  
Always comes back to me

Chorus

'Cause one good lover deserves another  
I'm one good lover, one good lover

He's just lookin' for a friendly smile  
He got a look in his eye like  
A Prisoner with a file  
He don't love you, he don't even know your name  
It takes two to tango  
Three to lose the game  
Repeat Chorus

Try it one more time with feeling  
But you can't hurt him like I can  
Like I can  
Like I can  
One good lover deserves another

He's not lookin' for your kind of love  
He likes a take and a give, likes a pull and a shove  
You're experienced, advice is what you need  
Listen closely I've got two words for you for free

Repeat Chorus
