Passioned way to cheat her
Ain't it funny how it seems
Just a little bit sweeter
And the truth about a liar
He burns the bluest blue in a fire

But any one who loved me
Wouldn't treat me so unkind
Now, don't feel so bad
My heart melted long before you burned it

Chorus:
With that very first kiss
Whoa-oh very first kiss
Whoa-oh it's the very first kiss
That's hurtin' me now

Call for ???
Spend all my time on borrowed dimes
And God save the queen
Got a dime could well save me
But any one who loved me
Wouldn't treat me so unkind
Now, don't feel so bad
My heart melted long before you burned it

Repeat Chorus

Any one who loved me
Wouldn't treat me so unkind
Now, don't feel so bad
My heart melted long before you burned it

Repeat Chorus Several Times
