I'll be waitin' by the door  
When you come home  
Waitin' for the words  
I wanted to hear from you for so long  
Everything could change  
Anythin' is possible  
In this world of miracles

I'm here, you're there  
(Aaa)  
We're world's apart  
But still we share  
(Ooh)  
Love deep in our hearts  
I still cry over you  
At the drop of the hat  
I lose control just like that

It's not too late  
(Aaa)  
It's not too late  
My love will wait  
(Ooh, aaa)  
It's not too late  
Anythin' is possible  
In this world of miracles

There's never been  
Anyone for me but you  
For all my runnin'  
It's you I keep coming back to  
(Ooh, ooh)  
We can move this mountain  
Together anything's possible  
(Aaa)  
In this world of miracles

It's not too late  
(Aaa)  
It's not too late  
My love will wait  
(Aaa)

It's not too late  
Anythin' is possible  
(Aaa)  
In this world of miracles  
We can move mountains  
(Aaa)  
In this world of miracles  
Anythin' is possible  
(Aaa)  
In this world of miracles

Tarararara tarararara  
Tarararara darararara  
In this world of miracles  
Tarararara  
In this world of miracles
