They're gonna put me in the movies
They're gonna make a big star out of me
We'll make a film about a man that's sad and lonely
And all I gotta do is act naturally

I'll bet you I'm gonna be a big star
I might win an Oscar, you can't never tell
The movie's a gonna make me a big star
'Cause I can play the part so very well

I hope you come to see me in the movies
For then I know that you're gonna plainly see
Yeah, the biggest fool that's ever hit the big time
And all I gotta do is act naturally

We'll make a film about a man that's sad and lo-onely
And beggin' down upon his bended knee
I'll play the part, but I ain't gonna need rehearsin'
All I gotta to do is act naturally

I'll bet you, I'm gonna be a big star
I might win an Oscar, you can't never tell
The movie's a gonna make me a big star
'Cause I can play the part so very well

I hope you come to see me in the movies
For then I know that you're gonna plainly see
The biggest fool that's ever hit the big time
And all I gotta do is act naturally
Yeah, all I gotta do is act naturally
