Here we go loop de loop  
Here we go loop de li  
Here we go loop de loop  
On a saturday night

We're having a party  
Ev'rybody's havin' a great time  
All the gang's here and a-dancin'  
Yeah I'm loopin' with a baby of mine

Here we go loop de loop  
Here we go loop de li  
Here we go loop de loop  
On a saturday night

Darling are you ready  
To loop a loop loop with me  
Start right there  
Wait just a minute until I count to three

(One, two, three)  
Here we go loop de loop  
Here we go loop de li  
Here we go loop de loop  
On a saturday night
