All alone am I ever since your goodbye  
All alone with just a beat of my heart  
People all around but I don't hear a sound  
Just the lonely beating of my heart

No use in holding other hands for I'd be holding only  
emptiness  
No use in kissing other lips for I'd be thinking just of  
your cares

All alone am I ever since your goodbye...

No other voice can say the words my heart must hear  
to ever sing again  
The words you used to whisper low no other love can  
ever bring again

All alone am I ever since your goodbye...
