How many roads must a man walk down before they  
call him a man  
How many seas must a white dove sail before she  
keeps in the sand  
How many times must cannonballs fly before they're  
forever banned  
The answer my friend is blowin' in the wind the answer  
is blowin' in the wind

How many years can a mountain exist before it is  
washed to the sea  
How many years can some people exist before they're  
allowed to be free  
How many times can a man turn his head and pretend  
that he just doesn't see  
The answer my friend is blowin' in the wind the answer  
is blowin' in the wind

How many times must a man look up before he can see  
the sky  
How many ears must one man have before he can hear  
people cry  
How many deaths will it take till he knows that too many  
people have died  
The answer my friend is blowin' in the wind the answer  
is blowin' in the wind  
The answer my friend is blowin' in the wind the answer  
is blowin' in the wind
