I cant seem to make you mind  
Kiss you around all the time  
Flying around like a bee  
Hurting everything i see  
I try everything i know  
To make you wont to love me so  
The only thing that you do is try to put the hurt on me

Well cant you see what you doing to me  
you fill my heart with misery  
and every breath and step i take  
im gonna love me today

I cant gone on like this  
A little bit of love i forget  
I got to have you love everyday  
One that would live and stay  
I cant seem to make you mine  
I cant seem to make you mine

Well cant you see what you doing to me  
you fill my heart with misery  
and every breath and step i take  
I'm gonna love you this way  
I cant seem to make you mine  
I cant seem to make you mine

Come back begging to me  
In my misery  
I give you all my love day and night  
And never go away  
I cant seem to make you mine  
I cant seem to make you mine

Well come back baby cause I'm alone  
Come back darlin cuase i need you love  
Come back cuase i want to love you  
Girl come back to night

I cant seem to make you mine  
I cant seem to make you mine  
I cant seem to make you mine

I cant seem to make you mine  
I cant seem to make you mine  
I cant seem to make you mine  
I cant seem to make you mine  
I cant seem to make you mine  
I cant seem to make you mine  
I cant seem to make you mine  
Thats right bitch
