Here comes my girl
Walking down the street
Look how she walks
She's got a dancing beat
Big wavy hair
A little too long
All day long
She's singing a song

And when I see her in the street
My heart takes a leap and skips a beat
Gonna walk right up to her
Give her a great big kiss

Tell her that I love her
Tell her that I care
Tell her I'll always be there

Hey, what color are her eyes?
I dunno, she always wears shades
Hey, is she tall?
Well, I gotta look up
Yeah, well, they tell me she's bad
She's good bad, but she's not evil

Bought myself a sweater
Thought it match her eyes
Dirty fingernails
Oh boy, what a prize
Tight khaki pants
High button shoes
She's always looking
Like she's born to lose

And when I see her in the street
My heart takes a leap and skips a beat
Gonna walk right up to her
Give her a great big kiss

Tell her that I love her
Tell her that I care
Tell her I'll always be there

Tell her I'll always be there
Tell her I'll always be there
Oh, what the hell

Is she a good dancer?
Waddya mean, is she a good dancer?
Well, how does she dance?
Close, very, very close
