Well, won't you listen, baby
To what I wanna say
I'm so crazy 'bout you
I don't wanna play

I wanna be loved, be loved by you
I wanna be loved, be loved by you
I wanna be loved, be loved by you
I wanna be, be loved by you

You can't change my mind
You can't take the times
You can do what you want
You better read between the lines

Be loved, be loved by you
I wanna be loved, be loved by you
I wanna be loved, be loved by you
I wanna be, be loved by you

I wanna be loved, be loved by you
I wanna be loved, be loved by you
I wanna be loved, be loved by you
I wanna be, be loved by you

You fought your way to the top
I don't care if you're a flop
I'll do what I gotta do
Gonna take care of you

I wanna be loved, loved by you
I wanna be loved, be loved by you
I wanna be loved, be loved by you
I wanna be, be loved by you

I wanna be loved, be loved by you
I wanna be loved, be loved by you
I wanna be loved, be loved by you
I wanna be, be loved by you

I wanna be
I wanna be

I wanna be
