Here I am  
All alone and all dressed up to kill  
But I'd much rather be with the boys  
Than be with you

Here I am  
With the gang, I don't care where you are  
But I'd much rather be with the boys  
Than be with you

I hold up my head up high when I walk down the street  
Now I'm a boy who's standing on his own two feet  
Don't try to call me cause now I know the score  
And now I know I don't need you anymore

Who's fooling who  
It's over now, and no sense looking back  
But I'd much rather be with the boys  
Than be with you

Here I am  
With the cats, I don't care if they're all brats  
But I'd much rather be with the boys  
Yes I'd much rather be with the boys  
No I'd much rather be with the boys

Than girls like you  
Than girls like you you you you you

You you you you you you you

Than girls like you
