What is my name?

I'm so lonely

I think I'm gonna go insane

I don't know

who I want to be

won't somebody introduce me

Im a boy Im a girl

What am I wearing?

I'm a picture, I'm a frame

where am I hanging?

I don't know what you think I am

Im not no magician I tell you no I ain't

maybe I can open your pants

but big fucking deal

I feel so electric I feel like a fucking eel (you fucking heel)

I'm a boy, I'm a girl

What am I doing?

Im a picture, I'm a frame

where am I hanging?

too bad

too bad for you

you never gonna understand no not you

maybe its where your from

or maybe your just so dumb

well take a walk, take a walk in the sun

Well I'm a boy, I'm a girl

What am I doing?

I'm a picture, I'm a frame

where am I hanging?
