You can give me this
You can give me that
You can give me this
You can give me that
It's not enough

Money so green
So casually seen
It don't bother me
It's not enough
It's not enough

Every town I go in
Every street I walk down
I can get anything I want
I just lay my cards down

I can count on diamonds
Rubies as well
Oh, big deal, baby
I still feel like hell

It's not enough
It's not enough
Oh, you can take it

Every town I go in
Every street I walk down
I can get anything I want
I just lay my cards down

I can count on diamonds
Rubies as well
Oh, big deal, baby
I still feel like hell

It's not enough
It's not enough
It's not enough
It's not enough

It's not enough

It's not enough
It's not enough
It's not enough

It's not enough
It's not enough
