I've got you under my skin I've got you deep in the
heart of me
So deep in my heart you're really a part of me
Oh I've got you under my skin
I tried so not to give in I said to myself this affair
Never could go so well
But why should I try to resist when darling I know so
well
That I've got you under my skin

I'd sacrifice anything come what might for the sake of
having you near
In spite of the warning voice that comes in the night
and repeats in my ear
Hey don't you know little fool you never can win
Use your mentality wake up to reality
But each time I do the thought of you makes me stop
before I begin
Cause I've got you under my skin
[horns]
Hey don't you know little fool you never never gonna
win
Use your mentality and wake up to reality
But each time that I do the thought of you makes me
stop
I've got you and I need you oh I've got you baby under
my skin
